

TOURNAMENT GOAL

Due to the time demands of band membership, as well as ever increasing academic responsibilities, Pride of Oklahoma members find it difficult if not impossible to work outside jobs during fall semester. As a result, scholarships are an essential resource to sustain the quality of the Pride.

Presently, the Pride of Oklahoma is able to offer scholarships to approximately one third of our members each year from existing endowed funds. Our desire is to increase both the number and size of these awards to offset increasing educational costs. Achieving this goal will allow us continue to attract and retain the best collegiate band members in the nation. Your participation in this event as a sponsor, a golfer, or both, makes it possible for us to grow the endowed funds necessary to support the band scholarship program.

Thank you for helping us continue the tradition of excellence for which The Pride of Oklahoma has become known throughout its 105 year history. See you on the course!
